TC 1700

Assistant Commissioner for Patents

Washington, D.C. 20231

RESPONSE UNDER 37 CFR 1.111

Dear Sir:

In response to the Office Action of July 31, 2002, please amend this application as follows:

In the claims:

Please amend claim 1 to read as follows:

1. (amended) A metallized molded resin article, consisting essentially [from about] of
a) 70 to about 99.9 weight percent, based on the total weight of the resin composition, of a crystallizable polyester resin derived from aliphatic or cycloaliphatic diols, or mixtures thereof, containing 2 to 10 carbon atoms and at least one aromatic dicarboxylic acid wherein the aromatic group is a C6 to C20 aryl radical

I hereby certify that this paper and any attachments named herein are being deposited with the US Postal Service as first-class mail in an envelope addressed to: Assistant Commissioner for Patents, Washington, DC 20231 on November 7, 2002.
